

AI Readiness Checklist

AI Readiness Checklist – Fripse AI

Fripse AI – Small Business Automation Starter

Can Your Business Benefit from AI Today?

Run through this checklist to find out if you're ready to start saving time, cutting costs, and getting ahead with AI automation.

1. Your Business Operations

- ☐ I have repeatable processes (e.g., sending estimates, follow-up emails, scheduling)
- ☐ I handle tasks that take up hours each week but follow a pattern
- ☐ I rely on tools like Excel, email, PDFs, or CRMs to manage my day-to-day

2. Customer Communication

- ☐ I spend a lot of time replying to customer emails or DMs manually
- ☐ I want faster ways to handle FAQs, updates, and follow-ups
- ☐ I have a clear sales or onboarding workflow that could be automated

3. Marketing & Content

- ☐ I create social posts, ads, or blog content but it takes forever
- ☐ I want my brand to look more professional online
- ☐ I'd love help writing service descriptions, bios, or ad copy

4. Team & Workflow

- ☐ My team texts each other instead of using one system
- ☐ I don't have clear SOPs (standard operating procedures)
- ☐ I wish my crew or staff had a "how to do it" playbook

5. Data & Documents

- ☐ I have forms, checklists, or docs I send customers or staff
- ☐ I'd love a way to auto-fill or summarize info
- ☐ I waste time copying and pasting info between platforms

6. Growth Mindset

- ☐ I'm open to new tools that save time or help me grow
- ☐ I know I need to systemize to scale
- ☐ I'd be pumped if I could replace a few hours of manual work each week with automation

 **If you checked 7 or more, you're ready to explore automation and AI solutions right now.**
